RESOLVED that Council defer consideration of the following application until the next meeting, but that its previous resolution, when it considered the proposals at the Statutory Pre-Application Stage, be conveyed to NPT CBC as follows –

P2024/0301	Demolition, Construction of Affordable Flats	Caewern Lodge Dwr y Felin Road Caewern
------------	----------------------------------------------	----------------------------------------

Council is disappointed at the loss of the existing building, but accepts that redevelopment is necessary and hopes that amended proposals could be drafted which increase the quantity of sheltered accommodation, as this would place reduced pressures on highway infrastructure, local schools and other services.

5580 Caewern Community Centre Roofing Scheme

The Clerk presented a confidential report to Members on Tenders for the Caewern Community Roofing Scheme. He outlined the response to tender invitations and the tender sums involved. Given the potential scale of expenditure, he indicated that he engaged with the Council's architectural advisor about amendments that could provide a cost saving to the Council, and subsequently invited tenderers to resubmit prices based on the amended specification. Comparable quotes were received and the outcome was summarized in the report. Members were advised that prices that included insulation boards would be preferable, that no contingency sum had been included in the costs, and that all tenders would require a commitment from balances as each was in excess of the available budget. RESOLVED that Council accept the lowest tender for an insulation board solution submitted by Glamorgan Services Ltd in the sum of £88,374.72 plus VAT and that Council fund the scheme from its current capital budget and from balances.

5584 Matters Raised by Members of the Public

The Chair invited the members of the public to indicate whether they had any matters which they wished to raise with Council. All three spoke about planning application P2024/0301 in respect of Caewern House, highlighting their concerns about the loss of the building, properties being overlooked by the new development, traffic generation, construction traffic, the wider impact on Caewern and the potential for occupants failing to integrate within the Caewern community. The recently convened meeting with the developers was considered inadequate and unhelpful and the wider role of Members of the County Borough Council and the Community Council was discussed. 5585 Minutes of the Monthly Meeting held on 17 June 2024

RESOLVED that the Minutes of the Monthly Meeting of Council held on 17 June 2024 be confirmed as a correct record.

RESOLVED no objection to the following applications –

P2024/0053	Amended Plans - Extensions	Ainon Baptist Chapel Elias Road Bryncoch
P2024/0397	Extensions	17 Dyffryn View Bryncoch

RESOLVED to object to the following application on the following grounds –

P2024/0301	Demolition, Construction of Affordable Flats	Caewern Lodge Dwr y Felin Road Caewern
------------	----------------------------------------------	----------------------------------------

Whilst Council has previously understood the proposals under discussion for the above, it has reflected on the new proposals and noted the extensive concerns of local residents. There are concerns shared by Members about overlooking of adjacent properties, the impact on the local highway infrastructure, the demands on utilities in the area, the loss of mature trees, the mix of properties proposed and their integration in the community of Caewern. Members were particularly disappointed with the inability of submitted documents, and staff representing the applicants/agents, to answer basic questions about the proposals, specifically with regard to the historic significance of the property, accessibility, and the development feasibility issues which might have allowed the existing property to be refurbished. On this basis, there is little confidence that the proposed development would contribute positively to the community of Caewern, or indeed that Caewern could cater for the needs of the proposed residents, and Council is of the view that it should be radically reconsidered by the applicants.

5589 Community Centre Management

There were no reports on Community Centre Management

5590 Police Matters

Other than requesting that ineffective management of the car park barriers to the Lidl Store in Cadoxton be referred to the Police, there were no reports on Police matters. RESOLVED noted.

There were no specific reports for Council.

(Councillor C Williams left the meeting)

5592 Caewern Community Centre Roofing Scheme

The Clerk provided an update on progress with the delivery of the Caewern Community Centre Roofing Scheme, and specifically on the following –

- Completion of the Licence for Work and Deed of Variation with NPT CBC
- Arrangements for building control through Total Building Control
- Contract progress, including discussions on an amended specification for the roof, that would result in a cost saving on the contract

RESOLVED that the Clerk's report be noted and that all the items be endorsed, subject to the Clerk being satisfied with explanations to queries regarding the revised specification.

5593 Playground Reports

The Clerk advised Members that –

- playground inspections would be undertaken in August and reports would then be submitted to Council
- the replacement slide at Caewern Playground would be installed once received in September 2024
- vandalism had occurred once again at Caewern Playground
- a piece of play equipment had been compromised at Cilfrew Playground when the Fire and Rescue Service had to assist an individual who had misused the item

RESOLVED noted.

5594 NPT CBC Monitoring Officer

The Clerk indicated that the NPT CBC Monitoring Officer had indicated that he would appreciate the opportunity to come and address Council. RESOLVED that he be invited to attend the next meeting of Council.

5595 Training Opportunities

The Clerk requested authority to arrange new training opportunities to allow staff to update themselves with the Council's financial software. He indicated the range of costs involved and that Council had an established budget for training purposes. RESOLVED that the Clerk be authorised to arrange any appropriate training.

5596 Public and Press

RESOLVED that further to Subsection (1) of Section 2 of the Public Bodies (Admission to Meetings) Act 1960, the public and press be excluded from the meeting during the following two items, by virtue of the nature of the business to be transacted.

P2024/0523	Rear Extension	18 Millbank Waunceirch

5608 Community Centre Management

RESOLVED to note the following matters reported for information –

- Issues with billing practices at E.onNext which were in hand
- Problems arising from squirrels at Cilfrew Community Centre which would be resolved.

The Clerk also reported a request that Council support an event at Aberdulais Community Centre being organised for the community by the NPT CBC Youth Service. In view of the Council's previous aborted attempt to promote a community event at Aberdulais, RESOLVED that Council partner the County Borough Council in this venture and provide appropriate accommodation and financial support as requested.

5609 Police Matters

Members were advised of a recent incident which took place at Caewern and that a homeless person had been sleeping outside Cadoxton Community Centre, and reassured Members that the Police and relevant authorities were aware of both situations. RESOLVED noted.

5610 Reports from Outside Bodies

There were no specific reports for Council.

5611 Casual Vacancy Aberdulais Ward

The Clerk indicated that the Electoral Services Team at NPT CBC had confirmed that no election had been requested in relation to the Casual Vacancy at the Aberdulais Ward, and that Council should, therefore, co-opt an individual to the role. He confirmed that the relevant notice had been served and that 3 October 2024 was the closing date for expressions of interest. A report would be submitted for consideration at the next meeting of Council. RESOLVED noted.

5612 Playground Reports

5614 Church in Wales Land

The Clerk updated Members on the following –

- One request had been received to transfer an existing Garden Tenancy Agreement to a new owner in Beaconsfield Street, Cadoxton, and a further request for a new Garden Tenancy Agreement in the same street had been received. These were consistent with Council's previous arrangements and had been processed by the Clerk and signed by two members of Council. Action to address knotweed infestation at the rear of the properties was also in hand. RESOLVED that the actions undertaken be endorsed.
- An approach had been received following damage to a vehicle caused by a tree which may be situated on Council land, and the affected party had been advised to submit information which could then be forwarded to the Council's insurers for their attention. RESOLVED that the matter be referred to the insurers at the appropriate time.

5615 Community Centre Licenses

Members were advised that a number of licensing bodies had contacted the Council to enquire as to whether the correct licences were in place to allow music and screened productions to be heard and viewed at the Council's six community centres. Given that the potential costs were quite high, a review of the requirements would be appropriate and as the situation was complicated, a report would be submitted in due course. RESOLVED noted.

5616 Waunceirch District Park

The Clerk reported correspondence from NPT CBC Property Services enquiring as to whether Council was proceeding with discussions to sub-let part of the Waunceirch District Park to Bryncoch Football Club. The e-mail outlined various matters that would need to be addressed if the request from the Club was to be progressed. The Clerk indicated that he had informed NPT CBC that no formal proposal had been submitted to Council since the meeting of officers in January 2023 and that, should the Club wish to progress further, more detailed proposals would be needed to facilitate any discussions. As nothing was currently forthcoming, there was nothing for Council to consider and the current lease and licence arrangements would remain. RESOLVED that the Clerk's response be endorsed.

5617 NPT Standards Committee

The Clerk referred to the Annual Report of the NPT Standards Committee and briefly summarised its contents. RESOLVED that it be circulated for Members' perusal.

5620 Matters Arising from Exempt Items

There were no matters arising from exempt items on the Minutes.

5621 Health and Safety

There were no reports for submission to Council. RESOLVED noted.

5622 Office Personnel Matters

The Clerk outlined short term arrangements which were in place to deal with duties previously the responsibility of the Assistant Clerk (Business Support), and confirmed that training had been undertaken to enable those arrangements to take place effectively. He indicated that the need to update some of the Council's historic accounting practices had been identified and the opportunity to complete this improvement may require some outside consultancy assistance at a cost made known to Members.

Members were advised that, given present staffing arrangements, the reappointment of a third part time member of staff would be in the best interests of the service, but that a recruitment and retention crisis was currently evident in the sector, and that a successful recruitment process might prove difficult. As the present structure and remuneration arrangements had been established many years ago, significant changes had taken place. Members were asked to consider a Job Evaluation exercise for office personnel prior to any recruitment exercise, and a cost for this to be undertaken by HR personnel at One Voice Wales was made known to Members.

RESOLVED that –

- Improvements to the Council's accounting arrangements be undertaken and if appropriate, the Clerk be authorised to engage external assistance to effect any changes
- A Job Evaluation exercise be commissioned from One Voice Wales in respect of office personnel, with an option to extend the exercise to other staff members in due course
- The Clerk prepare a staffing report on office personnel once the job evaluation has been undertaken and submit this to Council as a matter of urgency to facilitate consequential decisions, particularly in respect of the current vacancy.

- that potential door to door scammers were at work in Caewern
- that there were local concerns about a possible dog being exercised in Dyffryn Woods.

RESOLVED noted.

Councillor G Morgan presented a report on the recent Neath Port Talbot CBC Liaison Committee meeting and summarised discussions on –

- The NPT CBC budget, referring to Welsh Government funding, its own funding gap, cost increases, proposals for budget saving and departmental aspirations

5633 Casual Vacancy Aberdulais Ward

The Clerk indicated that no Expressions of Interest were submitted in order to fill the present Casual Vacancy in the Aberdulais Ward and, therefore, that the vacancy would need to be re-advertised. RESOLVED noted.

5634 Business Opportunities

The Clerk reported on two requests to operate business opportunities at Council premises – one street food operation at Cadoxton CC Car Park and an indoor/outdoor market operation at Bryncoch CC and Car Park. Members were advised of the details of the proposals, the Council's legal position and of the planning and licensing implications of such operations. They were also appraised of arrangements that would be needed to agree a charging structure, along with possible implications for existing users as well as local residents. RESOLVED that the requests be not acceded to and that the applicants be advised of the Council's reasons for declining the opportunities.

5635 Allotments

Members were reminded of a request from Ms NL that Council consider establishing allotments in Blaenhonddan to supplement the existing eight which were already in existence. The Clerk scoped the process involved in exploring and potentially establishing such an initiative. He highlighted the need, in the first instance, to identify an appropriate parcel of land, emphasising that public land would be easier to deliver, but that there was limited scope within the Council's existing estate. RESOLVED that the Clerk explore whether there was scope to work with NPT CBC and Tai Tarian on land which was under their control.

5636 Annual Report 2024

Members were reminded that the circulated Draft Annual Report for 2024 was deferred from the Annual Meeting of Council. RESOLVED that the Annual Report 2024 be adopted.

5640 Office Personnel Matters

The Clerk indicated that Ms M Phillips had submitted her resignation from the post of Assistant Clerk and that as a result there were now two office personnel vacancies. He stated that consequential discussions with the Chair had resulted in a refinement of the brief to the HR professional currently undertaking a Job Evaluation exercise on office posts, and that further information would be outlined in the next agenda item. RESOLVED noted.

(The Clerk left the chamber at this point and took no part in the discussions on the following item)

5641 Job Evaluation of Office Personnel Posts

The Chair circulated her Private and Confidential Report on the Job Evaluation exercise undertaken and reported upon by an HR professional employed at One Voice Wales. The Chair's report summarized the brief, and indicated that the brief was amended to explore a possible change in structure, given the situation referred to in Minute 5640 above. The report summarized the job evaluation outcome and recommendations for the existing posts if retained as at present, and also for three posts in an amended structure. The advice indicated that the amended structure was possibly better suited to and typical of a large council such as Blaenhonddan, and would provide greater resilience addressing an inherent weakness with no nominated post to cover the Clerk / Responsible Financial officer role. The Chair's report outlined the financial implications of all options if Council was disposed to accept the recommendations of the HR professional. Following discussion, it was RESOLVED that Council –

- amends the staffing structure for office personnel and appoint a Clerk / Responsible Financial Officer, an Assistant Clerk / Responsible Financial Officer and an Administration Assistant
- accept the recommendations of the job evaluation exercise in respect of the three posts in the new structure, both in terms of remuneration and hours of employment
- instructs the Clerk to make the necessary contractual amendments and advertise the two vacant posts immediately on the basis of amended job descriptions and the new terms and conditions.

RESOLVED that the Clerk's recommendation be accepted.

5673 Hire Charges for 2025-26

The Clerk submitted a schedule of current hire charges in relation to community centres and playing fields, and charges levied in respect of allotments and grazing land. Members were advised of Council's previous decisions over a period of years, considered whether charges should be amended for 2025-26, and were mindful of the increases in costs which the Council was subject to in letting its facilities. Members requested further information on comparator costs. RESOLVED that the matter be deferred pending a further report from the Clerk.

5674 Budget Monitoring Report for 2024-25

The Clerk submitted a report on the estimated budget out-turn in 2024-25 as the basis for calculating a proposed budget for 2025-26 for Members' consideration, and confirmed that this was not significantly different to the Council's original set budget. He advised Members of assumptions that were made with regard to final expenditure and income, and highlighted key factors which had influenced the expenditure calculations, including increases in salary levels. He also highlighted an increase in income levels but indicated that these could fluctuate based on the level of use of the Council's facilities. RESOLVED that the Clerk's Budget Monitoring Report and estimates be accepted.

5675 Budget and Precept for 2025-26

The Chair and Clerk advised Members of the process undertaken in shortlisting and interviewing candidates for the two vacant posts in the office. A revised job description was drafted, one candidate was invited to a second interview and was offered the position and had duly accepted. 5693 Woodland Situated on Cwmbach Road Cadoxton

The Clerk referred to the request that Council consider allowing a third party to lease a portion of woodland on Cwmbach Road Cadoxton, presently the subject of a lease in favour of the Council from the Church in Wales.
