The proposal reflects the need for community groups to be involved although support would be provided by the Youth Service. Indicative costs that would be the basis of the bids covering operation over a 5-year period were outlined. There would be no financial input required of Council, but the hiring and management of staff would fall to existing Council employees. RESOLVED that –

- The Clerk seek clarification from NPT CBC Youth Service as to the cost of running the existing youth clubs, and the reasons as to why the Youth Service cannot seek funding and manage the facilities themselves.
