------------	-------------------	--

RESOLVED objection to the following application for the reasons indicated -

P2026/0407	2 No. Padel Courts, Floodlighting & Canopy	Neath Sports Centre Neath Abbey Road Neath
------------	---	---

Council is concerned about the loss of 28 car parking spaces and the lack of any proposal to replace those spaces given how busy the Centre is, and is not convinced that school premises will be made available when needed. It believes that the junction with Neath Abbey Road is already difficult to exit and a cause of concern on highway safety grounds, and that a further development of the site will exacerbate that situation.

6103 Community Centre Management

3. The Clerk reported that Council could purchase first aids kits that meet Health and Safety requirements for each Community Centre and indicated the cost involved. RESOLVED that the first aid kits be purchased and installed.
4. The Clerk reported that the piano at Bryncoch Community Centre was damaged and could not be repaired. Options for disposal were discussed RESOLVED that disposal be arranged and the relevant cost be met as necessary.

Further to Minute 6084 of Council on 15 June 2026, the Chair invited nominations from Members for a Minor Authority Governor position on the Governing Body of Cilffriw Primary School. 6108 Cadoxton Park Development

Members were advised that in pursuit of the proposal to provide a partial Multi Use Games Area at Cadoxton Park information on surfacing had been sought, and the relevant contractor had advised of a change in specification and a revised price. Members appreciated that the Council's enhanced contribution could amount to a third of the capital cost, and considered their options. (Councillors R Lewis and C Lewis declared an interest in the following item and took no part in the discussions or decisions thereon)

6109 Birch Lane Cilfrew

The Clerk summarised a complaint from a resident of Birch Lane regarding water and surface problems. The complainant suggested actions that could be taken to address the issues and, given Council's ownership of part of the lane, an expectation that it should assist with delivery of some of the solutions mooted. The Clerk indicated that, without obligation, he had taken some engineering advice regarding possible practical actions, but that he was unsure as to whether there was a legal obligation on Council to address any of the issues. (Councillor A Burton left the meeting at this point in the proceedings)

6115 Scoping of Services

The Chair outlined his aspiration to conduct a survey of the services provided by Council and external partners as a means of identifying where gaps in provision exist and to consider how Council might assist in addressing such gaps. RESOLVED that the Chair review his proposal and submit a further report to Council in due course.

6116 Designated Dog Exercise Area, Cadoxton Park

The Clerk reported that a petition had been received suggesting that Council set up a designated dog exercise area by fencing off a part of Cadoxton Park. He summarised the proposal as outlined by the petitioner and provided Members with an analysis of the 130 signatories. He indicated that there are signs within the park asking dog owners to keep their dogs on a lead. Following a discussion of the proposal and issues arising therefrom, RESOLVED that Council reject the proposal for the following reasons –

- Bespoke locations exist in the wider area that can be used for dog training
- There are locations within the wider area where dogs can be exercised off lead and socialised
- Council does not wish to separate an area of the Park for such use, and would find it difficult to manage and maintain the area, and to “police” the activities if it did, as “self-regulation” is not something that is likely to be universally successful

- Council would not wish to set a precedent for similar facilities in its other parks
- Council is mindful of the insurance liabilities that might accrue if it were to develop an area of this nature.

6117 Public and Press

RESOLVED that further to Subsection (1) of Section 2 of the Public Bodies (Admission to Meetings) Act 1960, the public and press be excluded from the meeting during the following four items, by virtue of the nature of the business to be transacted.

6118 Matters Arising from Exempt Items

There were no matters arising.

6119 Health and Safety

6120 Staff Vacancy

The Clerk advised Members that the Park Attendant responsible for Cadoxton Park had submitted his resignation. He indicated that he had considered a review of park attendant services but that, at present, it may be expedient to advertise the post on a like for like basis. RESOLVED that the vacancy be advertised and an appointment be made in due course.

6121 HMRC

The Clerk referred to a recent issue with PAYE and his attempts to seek guidance from HMRC. He indicated that he may need external advice which may mean incurring a small fee. RESOLVED that the Clerk to be authorised to seek external assistance if required.
